

2023 Cedar Lodge pre-camp COVID requirements for Overnight and Day Campers

Dear Camp Families, By recommendations from the state of Michigan and ACA we are requiring all campers and staff to adhere to the following COVID protocol

1) If you are vaccinated: Please supply us with a copy of your vaccination including booster shot date.

2) All campers regardless of vaccination will be required to have a home rapid test 24-48 hours before their camp arrival. A picture of this test with the campers name, date and time in the photograph must be emailed to campcedarlodge@gmail.com.

3) All campers will be required to have a rapid test on their arrival to camp. Additional rapid tests may be given during the camp stay as needed.

4) Day campers must follow the above guideline and in addition will be rapid tested daily upon arrival.

IF: Your camper has tested positive for COVID within 14 days of camp, please send us a photo copy of this positive test. No camper will be allowed at camp within 7 days of testing positive for COVID. They will be responsible for testing negative on two rapid tests within 48 hours of arrival to camp at least 24 hours apart. Photograph negative test and date/time and send to us at campcedarlodge@gmail.com . We will give a third test at arrival. If cause for cancellation Cedar Lodge will do what they can to accommodate change of dates to later times during the summer.

IF: Your camper tests positive for COVID while at camp they will be sent home. They must follow the above guidelines for return.

IF: Your camper has had exposure to someone with COVID with in 10 days of camp, please contact us. If your camper will be coming for multiple weeks during the summer the steps above will need to be repeated.
