

CEDAR LODGE CLOTHING LIST

The following clothing list is based on a two week stay at camp. Please adjust accordingly for longer and shorter stays. As weather in Michigan can change at any time, we suggest that you check the 10 day weather forecast for the “49064” (Lawrence, MI) zip code during your camper’s stay. Though this, too, may change, it will certainly give you a place to start from. Dress at **Cedar Lodge** is informal; please do not go to great expense for special clothing. This suggested list should be adequate. Camp laundry is done once each week for campers staying two or more weeks.
