

Day Camp drop off, pick up and daily structure 2024

We are so excited that your camper will be joining us for day camp this summer. Day Campers have two drop off options: 7:15AM before breakfast every morning if you would like your day camper to join us for breakfast, or 8AM if you will be giving them breakfast at home. When you arrive at camp you will see a large blue building, which is the dining hall. Feel free to park in parking spots to the south of the dining hall. Camp families should come up the front dining hall staircase on the south side of the building (look for sign). Check in staff will meet them on the outside landing. Campers' symptom check will be taken, and Covid rapid test administered on Monday and Wednesday. When results are received, a staff member will then take them into the dining hall.

Pick up will be at 5:30. A Staff member will be waiting by the flagpole at 5:30 with your campers at the end of the day. Day Campers and Mini Me campers will be making up their own "cabin" for meals, rest hour and inside time in the summer of 2024, much like our overnight campers will be doing with their cabin units. They will be assigned a staff member that will stay with them at rest hour and help direct them to programs and life at summer camp. Younger Day campers and mini-me campers will be structured into activities. Older Day campers will be allowed more freedom to choose activities.

Our goal is to keep our campers safe and our camps open! While at camp, campers are provided with breakfast options, lunch and all snacks they will need during the day. We have a rest hour in the middle of the day and each day camper will be provided with a bunk in a cabin for this time. We would recommend bringing sheets and a pillow for your camper's bunk. If they are here for multiple days or weeks they are welcome to leave their sheets and pillow in the cabin throughout their stay.
